Headphones should be expected to last at least 5 years. This is absolutely not acceptable. Such a big shame as this was otherwise a marvellous performing headset with great comfort and below was my Original Review: ORIGINAL REVIEW: I had been testing a lot of headphones at street stores from JVC Xtreme Bass to Audio Technica M50x.

JVC User Manuals - Read online or download PDF

The real question is, why anything else? We've always made the best speakers at the best price - that's it. But for storytelling's sake, let's back it up to 1972 where a group of friends, talented engineers, and music lovers got together with the skillset, the ambition to make the best speakers they could afford, and the attitude to change the establishment. That day, a speaker company ...
