Conservatives have a problem with women. For that matter, all men do. The Cornell Review (1984), reported in Time (April 2005) and in Brainless: The Lies and Lunacy of Ann Coulter (2006) by Joe Maguire, p. 59. My libertarian friends are probably getting a little upset now but I think that's because they never appreciate the benefits of local fascism. ...

Thomas Main: The Rise of Illiberalism - Occidental Dissent

This inflation, unlike the 1970's inflation, is clearly profit driven, not wage driven. While we could end up with the sort of wage-price spiral we saw in the 1970's, we are not there presently. Businesses have raised prices in response to temporary (hopefully) shortages, which has led to higher profits.

Effect on individuals. Changes in a consumer's wealth cause changes in the amounts and distribution of his or her consumption. People typically spend more overall when one of two things is true: when people actually are richer, objectively, or when people perceive themselves to be richer—for example, the assessed value of their home increases, or a stock they own goes up in price.
